

Emdeon Patient Communications

Innovate, improve and expand communication with your patients

Extend the versatility of your billing database and encourage patient participation and response with customized communication pieces offered through the Emdeon Patient Communications service. You'll improve and enhance current patient relationships and invite new ones – economically and efficiently – with in-house design and print-and-mail service.

Keep patients up-to-date with your office, statement or practice changes and new features and benefits. Emdeon Patient Communications offers you complete database or select billing statement mailings, in-office handouts and other cost-effective communications that give you the professional edge. Create special mailings from your client database or your third-party source. Inform. Educate. Advance goodwill with your patients with helpful, timely communications:

The Emdeon Patient Communications program is a convenient and easy-to-use service. From concept and design to print and delivery, we offer customers a wide range of choices to meet their needs.
