Re: EDI Trading Partner Enrollment Procedures

Dear Trading Partner,

EFFECTIVE IMMEDIATELY Providers will no longer need to submit a Trading Partner Enrollment Form (TPEF) for Commercial 837 (Institutional, Professional, Encounter and Dental) claims for new Providers. This does not apply to Commercial 835 ERA (Electronic Remittance Advice). **We will no longer issue “new” EDI Numbers after May 18, 2007.** Any Commercial 837 TPEFs received after 05/18/2007 will be returned.

Existing customers can continue to use their assigned six digit EDI Numbers; however, new Customers/Providers must use their National Provider Identifier (NPI) number for claims submissions. All new Customers/Providers must first register their NPI number with WellPoint prior to claim submission. Failure to register the NPI number may result in claim rejection.

Providers can obtain their NPI using the link below:

http://www.cms.hhs.gov/NationalProvIdentStand/03_apply.asp

Providers can register their NPI number at the link provided below:

<https://npi.wellpoint.com/npi/online/onlinesubmit.jsp>

Please Note: This does not apply to 837 Medicare Part A claims, Commercial 835 ERAs or Medicare Part A 835 ERAs.

We appreciate your support and look forward to continuing working with you. Please feel free to contact our Vendor Support Line at 1 (888) 883-2720 Option 3, if you have any questions.
