Notice of Paper Remittance Advice Cutoff Deadline 01-01-06

Below is an excerpt from a letter dated October 20, 2005 from Dr Robert Robinson, Executive Director, and Division of Medicaid for the state of Mississippi. The letter in part advised all providers as follows.

“The Division of Medicaid and ACS State Healthcare are transitioning to a paperless environment. Effective January 1, 2006, providers will no longer receive paper remittance advices. Providers who currently receive a paper remittance advice and an ASC X12N 835 electronic remittance advice will no longer receive the paper remittance advice. The ASC X12N 835 electronic remittance advice will continue to be available.

Providers will be able to accept print images of their remittance advice through the Mississippi Envision Web Portal located at <http://msmedicaid.acs-inc.com> or retrieve ASC X12N 835 remittance advice files at <http://mississippimedicaid.acs-inc.com>.

If you are a provider who receives paper remittance advices only, you may access print images of your remittance advice. Print images of remittance advices are available on the Mississippi Envision Web Portal at <http://msmedicaid.acs-inc.com>. In order to utilize this secure feature of the Mississippi Envision Web Portal, providers will have to be a registered user of the web portal. Once the site has been accessed, providers should click on the link entitled, “Web Account Registration,” which is on the left side of the web portal homepage and complete the appropriate fields to become a registered web portal user.

Once a provider has become a registered user of the web portal, the provider should simply access the web portal at <http://msmedicaid.acs-inc.com>, log into the secure portion of the web portal by clicking on the link entitled, “Log In,” and click on the “Print Images” tab. Print images of remittance advices will be listed here and will be available for downloading or printing for 60 days.

The Division of Medicaid and ACS State Healthcare would like for this to be a seamless transition for you. Should you have questions regarding the elimination of the paper remittance advice and available options, please contact EDI Support at 1-800-884-322.”

Providers submitting electronic claims through Emdeon Business Services should go to the Envision Web Portal at <http://msmediciad.acs-inc.com> to receive a print image of their RA or they may go to <http://mississippimedicaid.acs-inc.com> to obtain and 835 remit file.

The following constitutes an Electronic Data Interchange Agreement (“EDI Agreement”) between the Health Care Provider listed in Section II (“Provider”) and the Mississippi Division of Medicaid (“DOM”) or its designated Fiscal Agent. This EDI Agreement defines the requirements for Electronic Data Interchange between the Provider and the DOM or its designated Fiscal Agent. Any references in this EDI Agreement to the submission of electronic transactions, refers to electronically submitted transactions as chosen by the Provider.

Section I—Terms of Agreement

The Provider agrees to abide by the requirements for Administrative Simplification as defined in the provisions of the Health Insurance Portability and Accountability Act of 1996 (P.L. 104-191) based on the compliance date of the final rules or a date mutually agreed upon between the Provider and the DOM or its designated Fiscal Agent.

The Provider agrees to abide by the requirements for EDI submissions and submitters as published in the appropriate DOM Electronic Transactions Submission Manual.

The Provider agrees to send and receive data in a manner that protects the integrity and confidentiality of the transmitted information according to the relevant provisions of state and federal laws and regulations.

The Provider agrees that if a Billing Agency or Clearinghouse is used for the submission of electronic transactions, the Billing Agency or Clearinghouse identified in Section III must have a Trading Partner Service Agreement on file with the DOM or its designated Fiscal Agent.

If using a Billing Agency or Clearinghouse, the Provider agrees to report information accurately and completely to the Billing Agency or Clearinghouse as required in the Appropriate DOM Electronic Transactions Submission Manual and agrees to be completely responsible for the electronic transactions generated from the information submitted to the DOM or its Fiscal Agent by the Billing Agency or Clearinghouse.

If using a Billing Agency or Clearinghouse, the Provider agrees to not use any Billing Agency or Clearinghouse except the one listed in Section III of this agreement until this EDI Agreement has been terminated in writing to the DOM or its designated Fiscal Agent.

If using an EDI software vendor for submission of electronic transactions, the Provider agrees to insure that all data meets the requirements for EDI submissions and submitters as published in the appropriate DOM Electronic Transactions Submission Manual.

If any information supplied in this EDI Agreement changes at any time during the Provider’s enrollment in the Mississippi Medicaid program, the Provider agrees to notify the DOM or its designated Fiscal Agent immediately in writing. Failure to do so may invalidate this EDI Agreement.

Whenever necessary, this EDI Agreement may be amended by mutual consent of the DOM and the Provider to meet federal or other operational requirements.

The Provider agrees that the EDI Submitter ID is confidential and is not transferable or assignable. This EDI Agreement is not transferable or assignable and may be terminated on thirty (30) days written notice by either party.

This EDI Agreement is automatically terminated in the event the Provider’s license is revoked by the Appropriate Board, the Provider is disqualified through a federal administrative action, or as set forth in Miss. Code Ann. Section 43-13-121(l) (1972, as amended)
