## Section 2: Florida Medicaid Billing Agent Agreement

**This section must be completed by any provider who wishes to designate or change a billing agent to submit claims for reimbursement by Florida Medicaid.**

***The following requirements apply to all billing agents/clearinghouses:***

1. Any entity, that submits claims to Medicaid on behalf of an enrolled Medicaid provider must be enrolled in the Medicaid program as a billing agent with an active provider number.
2. Claims must be paid in the name of the provider or provider group that renders the services, not in the name of the billing agent.
3. Payment for billing services must be made based upon an administrative fee per claim. Billing agents are prohibited from charging for their services based upon a percentage of the total dollar value of claims billed.
4. If a claim is rejected as inaccurately filed, it cannot be resubmitted unless there has been a change made to the claim form or electronic submission itself.

"The following billing agent is authorized to submit claims to and follow up with Medicaid and the Medicaid fiscal agent on my behalf. I understand that all payments and payment information are in my name and that this agreement does not exempt me from responsibility for claims filed on my behalf or from established claim filing policies. I further understand that the billing agent must be held to the same requirements of confidentiality and access to records as I am, as reflected in my agreement with Medicaid. I will immediately notify the Medicaid fiscal agent of any change in this authorization."
