

Simplifying the Business of Healthcare

Emdeon Claims Connection

Offering payers valuable claim connectivity to more than 300,000 submitters

Efficient and accurate electronic claiming

Reliable and secure system

Excellent return-on-investment

Greatest provider reach in the industry

Leveraging the nation's largest network of submitting providers, along with decades of experience partnering with payers, Emdeon is uniquely positioned to help healthcare payers reduce administrative costs related to claims receipt while improving auto-adjudication rates and claim accuracy. With Emdeon Claims Connection, payers have access to more than 300,000 submitters for HIPAA-compliant claim and encounter (837) transactions in ASC X12N format. Emdeon's extensive provider reach allows payers to connect with far more submitters than possible directly or through other vendors. Such broad provider electronic connectivity helps payers maximize auto-adjudication rates.

Emdeon Claims Connection streamlines claims receipt and pre-adjudication workflows and makes claim transactions more efficient. State-of-the-art technology and reliable, secure systems consistently provide efficient transaction processing and optimize first pass rates.

The Emdeon Advantage

As a proven partner with solutions that facilitate electronic information exchange, Emdeon helps healthcare payers improve administrative processes, increase efficiencies and reduce costs.
