

Simplifying the Business of Healthcare

Convenient online billing and payment solutions that fit the way your patients live and improve the service you provide

## Emdeon Patient Pay Online

Improve patient satisfaction and reduce customer service calls

The popularity of online bill payment continues to grow in almost every industry, and providers must adapt to offer patients the secure and convenient billing options they expect. Emdeon Patient Pay Online is the secure and convenient way to deliver online billing and account management to your patients. Your patients will enjoy online billing documents that are current, accurate and accessible, 24 hours a day, 7 days a week. This comprehensive and secure option can help yield faster collection of patient-owed amounts, improve cash flow and reduce billing costs, all with less effort and paperwork.

### Simplify billing with the power of the web

With Emdeon Patient Pay Online patients can view, store and pay bills using a web browser. Through email updates that link patients to your website, they gain direct access to their account information and the ability to manage preferences, submit changes to billing data and email customer service staff with billing inquiries or insurance and address changes. By bringing billing and payment convenience to your patients online, we can help you experience fewer support calls, increased billing accuracy, reduced A/R days and lower collection costs.
