Emdeon ExpressBill Services

Printed statements that are clear, concise and correct

Prompt, efficient delivery and accurate, easy-to-understand paper statements can result in faster patient payments. Emdeon ExpressBill Services taps the power of your billing database to create and deliver personalized patient statements.

Emdeon ExpressBill Services is your one-stop source for fast, effective statement processing, printing and mailing. Our statements and invoices can help cut your processing costs by shortening the time it takes to get statements from you to your patients. We provide the advanced bill printing that allows you to bypass conventional, time-consuming folding, stuffing and stamping of statements. We can also help you transmit billing information electronically to one of our process, print and mail centers.

Ease your returned mail burden

With Emdeon ExpressBill Services, undeliverable mail is reduced by utilizing Emdeon Address Cleansing Services featuring USPS® NCOALink® technology. Emdeon ExpressBill Services also provides efficient processing, printing and mailing of clear, concise financial statements including postal pre-sorting and USPS® delivery.

Clearer statements create better results

Emdeon ExpressBill Services provides advanced statement and invoice processing for fast delivery of accurate patient statements and invoices. With over 30 years of experience, our team of professionals has the knowledge and technology to provide the reliable and efficient service it takes to help you get better results.
